

# Creating a Bucket List for your Pet Companion

## Step 1:

Sit back, relax, and find a comfortable place where you can brainstorm! Pick that special spot in your home where you and your pet companion like to hang out, or head to your favorite outdoor area for some fresh air and ideas.

## Step 2:

Think of things that are meaningful to you.

- Where is your favorite place to go with your pet companion? Are you both adventurous or are you more home bodies?
- Refresh your mind with some old photos of you and your pet companion. Is it possible to relive any of your favorite memories?

## Step 3:

Think of things you don't typically allow your pet companion to do.

- Is he/she allowed on the couch?
- Is he/she allowed to partake in pizza night? Is he/she allowed to sleep in bed with you?

## Step 4:

No item is too small, no item is too large!

- It is important to have a wide variety of goals on your list. You shouldn't place any limitations on your ideas just because they don't seem possible at this very moment.

## Step 5:

Write, write, write!
